

# Better together

Discover how LibreOffice and The Document Foundation are helping other open source projects...

Thanks to donations, The Document Foundation (TDF) funded translation memory, concordance and performance improvements in Pootle

For Askbot, TDF funded per-language related questions, better facilities to deal with duplicate questions, and karma per localisation

The logo for Askbot, featuring the word "Askbot" in a stylized, hand-drawn font with a textured, sketch-like appearance.

LibreOffice developer David Ostrovsky is a Gerrit Code Review maintainer, and has made many improvements to the software

Some LibreOffice developers also work on the Document Liberation Project, helping to free users from vendor lock-in
