# THANK YOU!

In 2017 your donations helped us to...

LibreOffice
The Document Foundation

Support two hackfests in Belgium and Italy, to bring developers together
Expand our infrastructure with a new developer dashboard: https://tdf.io/dashboard

Organise the LibreOffice conference in Rome, with over 200 attendees from around the world

Pay a small team working on release building, documentation, marketing, design and more

Coordinate bug-hunting sessions, to improve reliability of new releases

Support the development of two new releases, LibreOffice 5.3 and 5.4

Donate today, and let's make LibreOffice even better!
