

THANK YOU!

In 2017 your donations helped us to...

LibreOffice
The Document Foundation

Support two hackfests in Belgium and Italy, to help share knowledge

Maintain our infrastructure, to help developers, contributors and end users

Organise the LibreOffice conference in Rome, with over 200 attendees from around the world

Pay a small team working on release building, documentation, marketing, design and more

Coordinate bug-hunting sessions, to improve reliability of new releases

Support the development of two new releases, LibreOffice 5.3 and 5.4

Donate today, and let's make LibreOffice even better!
