Description We should implement portknocking, mainly as a recovering mechanism from fail2ban gone mad	

History

#1 - 2014-03-13 22:11 - Alexander Werner

- Assignee set to Alexander Werner

#2 - 2014-03-14 11:21 - Alexander Werner

- Priority changed from Normal to Low

#3 - 2014-11-25 13:04 - Florian Effenberger

- Assignee deleted (Alexander Werner)

Not urgent, adding to general pile, ideal to onboard new volunteers

#4 - 2014-11-25 13:17 - Dennis Roczek

well how should anybody get the information of this ticket when this ticket is private? g

#5 - 2014-11-25 13:52 - Florian Effenberger

- Private changed from Yes to No

Good spot :)
