How to proceed:

   Sample: August 2018 -> `./createBlogReport.py 2018-08-01 2018-09-01`
2. Upload the charts created in `/tmp` to the QA Blog's admin website
3. Copy the text from `/tmp/blogReport.txt` into a new blog post
4. Replace `PATH_HERE` by the path to the images uploaded in step 2
5. Check the development activities in git and the release notes and add them to the 'General Activities' section
6. Add comments from [https://nextcloud.documentfoundation.org/s/2qbePFXXan4i6](https://nextcloud.documentfoundation.org/s/2qbePFXXan4i6) to the 'General Activities' section
