Description
I would like to make some CSS changes to improve the site's layout and usability and match the new 7.0 brand.

History

I'm also interested into the source code to make some changes.

#2 - 2020-06-02 10:05 - Florian Effenberger
- Assignee set to Christian Lohmaier
- Target version set to Q2/2020

Cloph, can you have a look? Publishing the source if not done so yet would indeed be a great thing to do :-)

I think that Adolfo and I are willing to do some css and html changes for the extension page. So it's more like if wanted we are willing to help.

#4 - 2020-06-09 15:06 - Florian Effenberger
Definitely, thanks a lot for the offer! Cloph, can you upload the source? Should be default for us anyways, to share things in public as soon as possible, just removing things like login and database credentials

#5 - 2020-06-25 10:51 - Christian Lohmaier
- Start date set to 2020-07-05

#6 - 2020-06-25 11:18 - Florian Effenberger
- Due date set to 2020-07-05
- Start date deleted (2020-07-05)

Date was due date, not begin date - changed that

#7 - 2020-07-13 11:04 - Christian Lohmaier
- Status changed from New to Closed

repo is on gerrit (infra/extensions) → closing.
