**Description**

Situation was shortly discussed in today's BoD meeting - with Paolo Vecchi, Emiliano Vavassori and me in the Board's "oversight group for events".

- Organizing events often is hard, suffering from restrictions due to Corona-measures
- Having less events, is a threat to local groups, to our community
- So what can we do...

1. Find local groups that do something, or are trying to do that

2. Offer support
   1. mentally
   2. extra budget for suitable location/accommodation ?
   3. find the best digital tooling for (partly) digital events
      - mostly money only

3. Showcase the results
