Manage TDF E-learning on LibreOffice contents

2021-03-02 12:30 - Olivier Hallot

Status: Feedback
Priority: Normal
Assignee: Olivier Hallot

Description
A Moodle instance is online for e-learning on LibreOffice topics

1. Manage as administrator of the service contents
2. Promote community to upload create contents in Moodle

Stalled.

Need to reassess the need of a specific E-learning support from TDF.

Reasons:
- Vast amount of YouTube video lessons created by the community, in all languages
- Availability of online User Guide, as offered directly from TDF at
  https://documentation.libreoffice.org
  https://books.libreoffice.org/en/
- Cost and risk of maintaining a Moodle instance secure
- People using Telegram and other IM channels for quick and fast learning track
