**Description**

Our StartSSL certificates and validations need to be renewed on a regular basis.

- personal validation: 2017-01-27
- organization validation: 2017-02-18
- EV code signing certificate: 2018-05-31
- documentfoundation.org certificate: 2019-03-24
- libreoffice.org certificate: 2019-03-24

Especially the EV validation takes some time upfront, as legal documents and signature need to be provided.
